Kenway Consulting Opens Second Office in Scottsdale, AZ

CHICAGO, Tuesday, November 12, 2019 – [Kenway Consulting](#) announced today that it is expanding its footprint and opening a second office in Scottsdale, AZ. The Chicago-based management and technology consulting firm was founded in 2004, and specializes in the areas of [Technology Solution Delivery](#), [Enterprise Program Leadership](#), and [Information Insight](#). The company's deep knowledge of core business processes, technical architecture, and data and analytics has led to highly-successful outcomes for its clients.

"Since Kenway's inception, we've strived to provide all our clients with unmatched quality and service. From [Financial Services](#) and [Healthcare](#), to [B2B/Distribution](#) and [Telecommunications](#), we've helped a variety of clients over the past 15 years implement transformational solutions that have allowed their businesses to grow and thrive," said Brian King, Kenway Consulting's founder, president and CEO. "I have a fundamental belief that companies are paying too much in the form of big consulting rates for big consulting projects. Kenway made its mark in the Chicago market by providing big consulting skills at below market pricing. I believe the Phoenix/Scottsdale market is primed for Kenway to help in the same, impactful way."

Known for its strong company values, Kenway's entire reason for existence is to help companies and its employees. Founded on the principles of being good and being truthful, Kenway's set of [Guiding Principles](#) steers each employee's decision-making process and centers on integrity, quality, value and respect. The company focuses on the means and not the outcomes, always in line with these Guiding Principles, and always with integrity as its cornerstone.

Kenway has received a variety of accolades over the years as a result of these strong values. The company was recently named to [Inc. magazine's 2019 Inc. 5000 list, with a #20 ranking in IT Services; #28 out of 100 "Best Places to Work in Chicago"](#) in 2018 by [Crain's Chicago Business](#); to [Consulting magazine's 2017 "Best Small Firms to Work For" list](#); named to the ["Vault Consulting 50"](#) list and Vault's list of ["Best Boutique Consulting Firms"](#) for the past two years; and featured as one of the ["Best and Brightest Companies to Work for in the Nation®"](#) two years in a row, and one of ["Chicago's Best and Brightest Companies to Work For®"](#) three years in a row by the National Association for Business Resources.
