Kenway Consulting to Present at the 2019 MDM & Data Governance Chicago Summit

CHICAGO, Wednesday, July 3, 2019 – Kenway Consulting announced today its participation in the **2019 MDM & Data Governance Chicago Summit**, presented by *Information Management*. The three-day conference will take place from Wednesday, July 10 through Friday, July 12 at the Marriott Marquis Chicago.

The MDM & Data Governance Summit is the data industry's leading event and provides an opportunity for the data management community to engage with like-minded peers and learn from experts at the forefront of the industry.

Kenway Management Consultant **Jeanne-Marie Daly** will co-present "**Challenges Overcome & Lessons Learned from an Eight-Year Master Data Journey**" with Northern Trust Senior Vice President and Head of Master Data Management **George Skordilis**. Their 45-minute session will take place on Thursday, July 11, beginning at 10:55 a.m.

Daly and Skordilis will look back on their shared eight-year MDM adventure and discuss common pitfalls to avoid when embarking on an MDM journey, people and process considerations, and ideas for collaborating with Data Governance.

About Kenway Consulting

Kenway Consulting is a Chicago-based management and technology consulting firm whose entire reason for existence is to help companies and its employees. Founded in 2004 on the principles of being good and being truthful, Kenway's set of **Guiding Principles** steer each employee's decision-making process and center on integrity, quality, value and respect. The company focuses on the means and not the outcomes, always in line with these Guiding Principles, and always with integrity as its cornerstone. Kenway strives to provide all clients with unmatched quality and service, and specializes in the areas of Project Lifecycle, Enterprise Transformation and Information Insight.
