## **Kenway Consulting is one of 2017's Best and Brightest Companies to Work for in the Nation®**

**CHICAGO, Friday, December 22, 2017** – Kenway Consulting announced today that it has been named one of [2017's Best and Brightest Companies to Work for in the Nation®](#) by the National Association for Business Resources (NABR). This prestigious award is bestowed upon organizations that display a commitment to excellence in operations and employee enrichment.

The 2017 winning companies were assessed by an independent research firm which reviewed a number of key measures relative to other nationally recognized winners. This year's list honors 437 companies from across the country, out of 2,000 nominations. Winners are not ranked.

With more than 20 years experience conducting the Best and Brightest competitions, the NABR has identified numerous best Human Resources practices and provided benchmarking for companies that continue to be leaders in employment standards.

"National companies realize that their employees are key to business success. The companies that were selected demonstrated innovative Human Resources practices. They intentionally keep employee needs at the forefront of their policies," said Jennifer Kluge, President and CEO, National Association for Business Resources. "We are very impressed by the commitment that they have demonstrated to their employees."

"We were extremely proud when the NABR named Kenway one of 'Chicago's Best and Brightest Companies to Work For®' earlier this year, but to be recognized at the national level is a true honor," said Brian King, Kenway Consulting president and CEO. "Congratulations to each and every one of our employees for helping Kenway achieve this well-deserved distinction. Without their hard work and dedication to our [Guiding Principles](#), none of this would be possible."

All nationally winning companies will be featured in the February 8, 2018 online edition of *Corp!* Magazine. They will also receive additional recognition as a national winner at a Best and Brightest Companies to Work For® awards symposium and gala at a location of their choosing in several U.S. cities.

The annual symposium and award galas are presented in Detroit, Chicago, Atlanta, Houston, Milwaukee, San Francisco, Grand Rapids, Dallas, San Diego and Boston. To learn more, visit [www.101bestandbrightest.com](http://www.101bestandbrightest.com).
