Kenway Consulting to Present at the Technology Executive Club 2017 Mid Market CIO and Technology Leader Blueprint Summit

CHICAGO, Thursday, June 1, 2017 – Kenway Consulting announced today its participation in the Technology Executive Club 2017 Mid Market CIO and Technology Leader Blueprint Summit.

The two-day event aims to educate mid-sized companies on how to integrate new technologies and foster innovation in order to drive growth. It will be held on Wednesday, June 14 and Thursday, June 15 at the Lake Forest Graduate School of Management in Lake Forest, IL.

Kenway Management Consultant Joseph Steelman will take part in the summit's Cloud Enablement session on June 15, where he will discuss the two critical success factors for Cloud adoption and how to ensure the value created via Cloud access is captured and sustainable.
