CHICAGO, Tuesday, February 18, 2020 – [Kenway Consulting](#) announced today that, for the third year in a row, it has been named one of the [Best and Brightest Companies to Work for in the Nation®](#) by the National Association for Business Resources (NABR). The honor is bestowed upon companies that demonstrate exceptional organizational commitment to employees, culture and community.

Kenway was among 540 organizations from across the country named to the NABR's 2019 national list, out of 5,000 nominations. Kenway has also been honored by the NABR at the local Chicago level for the past three years.

All companies named to the Best and Brightest list were evaluated by an independent research firm on key measures in various categories, including Compensation, Benefits and Employee Solutions; Employee Enrichment, Engagement and Retention; Employee Education and Development; Recruitment, Selection and Orientation; Employee Achievement and Recognition; Communication and Shared Vision; Diversity and Inclusion; Work-Life Balance; Community Initiatives; and Strategic Company Performance.

"It's an incredible accomplishment to be named one of the 'Best and Brightest Companies to Work For' at both the national and local level, three years running," said Matt Kueker, CEO, Kenway Consulting. "Congratulations to all of Kenway's talented and collaborative employees who make this company such a great place to work. I'm proud to be part of an organization driven by thoughtful individuals always focused on doing what's right for our clients and each other."

With more than 20 years of experience conducting the Best and Brightest competitions, the NABR has identified numerous best Human Resource practices and provided benchmarking for companies that continue to be leaders in employment standards.

"With the war on talent hitting the door steps of the Best and Brightest, this achievement means even more than it did a year ago. As we continue to raise the bar, these companies rise to the challenge through cultural innovation, maximizing their workforce potential," said Jennifer Kluge, President and CEO, Best and Brightest Programs.

The companies that have been selected to be recognized nationally as a Best and Brightest Company to Work For® will be featured in the February online edition of *Corp!* Magazine.
