***Crain's Chicago Business* Names Kenway Consulting
#41 out of 100 on its 2022 List of Best Places to Work in Chicago**

CHICAGO, Thursday, September 15, 2022 – [Kenway Consulting](#) today announced that it has been named one of the [2022 Best Places to Work in Chicago](#) by *Crain's Chicago Business*.

Kenway was honored with a #41 out of 100 ranking on this year's prestigious list. The annual award recognizes local companies that excel in creating quality workplaces for their employees, with outstanding benefits and culture. This is the third time Kenway has been named one of *Crain's Best Places to Work in Chicago*, having [first appeared on the list in 2018](#) and then acknowledged [again last year](#).

"We're honored to, once again, be recognized by *Crain's Chicago Business* for our dedication to employees and commitment to a strong corporate culture," said Matt Kueker, CEO, Kenway Consulting. "I'm thankful to work at Kenway every day, regardless of outcomes. The reason? Because a greater purpose, 'To Help and Be Helped,' has allowed us to attract and retain the best group of colleagues with which one could ever hope to work."

Determining the Best Places to Work in Chicago involved a two-step process. The first step consisted of evaluating each participating company's workplace policies, practices and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of employee surveys aimed at assessing the experiences and attitudes of individual employees with respect to their workplace. This part was worth approximately 75% of the total evaluation. The combined scores determined the best companies and the final ranking. Best Companies Group managed the overall registration and survey process, and analyzed the data and used its expertise to determine the final ranking.

Kenway, along with Chicago's other 2022 Best Places to Work, was honored during a September 14 awards luncheon at the Hilton Chicago that featured a live unveiling of the top 100 companies in ranking order. Kenway is [featured in an article](#) and [detailed company profile](#) on the *Crain's Chicago Business* website. The ranking of the 100 top companies will also appear in the publication's September 19 print edition.
