**Kenway Consulting Named to the Inc. 5000 for the Second Time,
Ranking No. 4338 in 2023 with a Three-Year Revenue Growth of 100%**

NEW YORK, Tuesday, August 15, 2023 – Inc. revealed today that [Kenway Consulting](#) ranks No. 4338 on the 2023 Inc. 5000, its annual list of the fastest-growing private companies in America. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment – its independent, entrepreneurial businesses. Facebook, Chobani, Under Armour, Microsoft, Patagonia, and many other household name brands gained their first national exposure as honorees on the Inc. 5000. Kenway made its Inc. 5000 debut in 2019 with a No. 4495 ranking.

"It's an incredible honor for Kenway Consulting to be named to the Inc. 5000 for the second time, and recognized alongside so many other influential companies," said Matt Kueker, CEO, Kenway Consulting. "This milestone is an outcome of our employees always doing the right thing at the right time for the right reasons. Their commitment to our clients and each other is what propels our success. I'm proud to be a part of such a dedicated team, and excited for our future growth."

The Inc. 5000 class of 2023 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue growth rate ticked up to an astonishing 2,238 percent. In all, this year's Inc. 5000 companies have added 1,187,266 jobs to the economy over the past three years.

"Running a business has only gotten harder since the end of the pandemic," says *Inc.* Editor-in-Chief Scott Omelianuk. "To make the Inc. 5000 – with the fast growth that requires – is truly an accomplishment. Inc. is thrilled to honor the companies that are building our future."

About the Inc. 5000 Methodology

Companies on the 2023 Inc. 5000 are ranked according to percentage revenue growth from 2019 to 2022. To qualify, companies must have been founded and generating revenue by March 31, 2019. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2022. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2019 is \$100,000; the minimum for 2022 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Growth rates used to determine company rankings were calculated to four decimal places.
