CHICAGO, Thursday, September 11, 2025 – [Kenway Consulting](#) today announced that it has been named one of the [2025 Best Places to Work in Chicago](#) by *Crain's Chicago Business*.

Kenway was honored with a #28 out of 100 ranking on this year's prestigious list. The annual award recognizes local companies that excel in creating quality workplaces for their employees, with outstanding benefits and culture. This is the fifth year in a row, and sixth time overall, that Kenway has been named one of *Crain's* Best Places to Work in Chicago. Prior list appearances include [2018](#), [2021](#), [2022](#), [2023](#) and [2024](#).

"At Kenway, our culture is our most valuable asset and we pride ourselves on fostering a supportive, challenging and flexible work environment for our employees that encourages both professional and personal growth," said Matt Kueker, CEO, Kenway Consulting. "I am honored to work with such talented individuals who are driven to help people and businesses thrive. Thank you to all of my colleagues for continuing to make Kenway such a great place to work."

Determining the Best Places to Work in Chicago involved a two-step process. The first step consisted of evaluating each participating company's workplace policies, practices and demographics. This part was worth approximately 80% of the total evaluation. [Workforce Research Group](#) managed the registration and survey process, analyzed the data, and used its expertise to determine the final ranking.

The full 2025 Best Places to Work in Chicago list was announced during a September 10 awards celebration at [The Geraghty](#).
