CHICAGO, Monday, March 2, 2026 – [Kenway Consulting](#) today announced that it has been named to Business Insider's inaugural list of [America's Top Management Consulting Firms](#). Kenway's perfect 5-star rating, based entirely on client feedback, places the company in the top 30% of the 300 consulting firms that were recognized nationwide.

"It's an honor for Kenway to be named one of the country's best management consulting firms, but what makes this award so special is that our clients were the ones responsible for the recognition," said Amy Wilkins, CEO, Kenway Consulting. Thank you to all of them for their commitment to Kenway's [Guiding Principles](#), and for their dedication to helping people and businesses succeed."

Business Insider's 2026 list was developed in collaboration with Plant-A Insights Group, and surveyed more than 25,000 U.S. professionals with direct experience working with consulting firms. An initial pool of more than 15,000 firms was screened and validated, resulting in 2,200 for evaluation. From there, respondents assessed their experience working with these firms across three areas – Industry Expertise, Practice Area Expertise, and Client Satisfaction – with the highest-scoring 300 recognized.
